"UNPLANNED"

Forwarded by Bishop Patrick from John Edwards and the Nottingham 40 days of Life Group:

The pro life film, 'Unplanned', made such a positive (and unexpected) impact in the USA on its release in the spring. It is the true story of one woman, Abby Johnson, who was the manager of an abortion clinic and a spokesperson for the abortion provider Planned Parenthood, until she had an experience which led to a complete change of heart. She is now one of the foremost advocates in the USA for the unborn child, and she actively helps women and men who have been involved in abortions to find healing.

Those who have seen the film say it is well made, compassionate, and sensitive.

The film has not yet been released in the UK, as the producers have met opposition from the leading distributors, who do not think that it will be commercially successful. We would like this film to be shown in at least one cinema in Nottingham, as we believe it will help inform this important debate, in an appropriately sensitive way.

To this end, I am sending you a petition, and related materials, and would ask you to make the petition available for your parishioners **to sign at the back of your church for three weekends.**

After the third weekend, please return the completed petition forms to the address at the bottom of the sheets. The deadline for return of the petitions is 19th November 2019.

Many thanks, John Edwards

National Day of Prayer & Fasting For Life

On Saturday 28th September please pray and fast for the end of abortion and euthanasia. **Also pray that anti-life 'Buffer Zones' will be ruled illegal.** Your prayer and fasting is urgently needed.

Prayer: We are asking people to say a Rosary (or an extra Rosary if you say it daily already).

You could also offer an extra effort such as going to Mass (or an extra Mass) on the day, or going to Adoration. You can even pray before a closed tabernacle if Adoration is not available near you.

Fasting: Fast from all food except bread and water for the day

Or: Fast from a particular food or luxury, e.g. chocolate, alcohol, cigarettes, TV. Fast from whatever you can given your state of health etc,

BMJ PRINCIPLES OF PALLIATIVE CARE:

Palliative Care

- * Affirms life and regards dying as a normal process.
- * Neither hastens nor postpones death.
- * Provides relief from pain and other distressing symptoms.
- * Integrates the psychological and spiritual aspects of care.
- * Offers a support system to help patients live as actively as possible until death.
- * Offers a support system to help patients' families cope during the patient's illness and in their own bereavement.

PLEASE PRAY

*** for greater understanding of the Sanctity of Life.**

That all life be protected, respected and cared for with dignity, from the moment of conception to the moment of dying and beyond.

*** On Wednesday** for the Adult Educational Event at Mackworth.

*** On Thursday** for the Priests Day of Recollection.

*** On Thursday** for the Buildings and Sites Committee Meeting.
